
Embraer, American Airlines sign aircraft deal worth \$705 million

2018/05/04 15:58 στην κατηγορία INTERNATIONAL

A deal inked by Embraer to deliver 15 E175 aircraft to American Airlines is worth \$705 million at list prices.

According to Reuters, the planes will be included in Embraer's backlog in the second quarter of 2018, and delivery should begin between March and November of next year, Embraer added in a filing.
