
Michelin to close French site that has 619 staff

2019/10/10 14:44 στην κατηγορία INTERNATIONAL

French tire maker Michelin said it would close down a site in the town of La Roche-sur-Yon, which has 619 staff, as the auto industry grapples with tough market conditions.

The closure of the site at La Roche-sur-Yon comes after Michelin announced in September plans to close down a plant in Bamberg, Germany.
